WHAT IS A COMPREHENSIVE PLAN?

- Official local governmental policy document guiding future growth and preservation
- Long-range timeframe (20 years)
- Addresses topics such as:
 - Land Use
 - Transportation Systems
 - Environmental Conditions
 - Housing
 - Economic Development
- Provides legal foundation for local development regulations
- Consolidation of other City and Regional Plans

COMPREHENSIVE PLAN PROVIDES...

- Common Direction for Local Plans, Programs, Investments, etc.
- A statement of Community Vision, Goals, and Values
- Future Land Use Map
- A Reference Point for Decision-Making
- Guidelines for Right Development at the Right Location
- Priorities for Action: The Community Work Program

MANDATORY PLAN ELEMENTS

- **General Vision Statement.** Include a general statement that paints a picture of what the community desires to become, providing a complete description of the development patterns to be encouraged within the jurisdiction.
- **List of Community Goals.** Include a listing of the goals the community seeks to achieve.
- **Community Policies.** Include any policies the local government selects to provide ongoing guidance and direction to local government officials for making decisions consistent with achieving the Community Goals.
- **Character Areas and Defining Narrative.** This option lays out more specific goals for the future of the sub-areas, districts, or neighborhoods, and may be prepared using the guidance provided for the Land Use Element.

MANDATORY PLAN ELEMENTS (Cont'd)

Report of Accomplishments

- A report of accomplishments that describes the status of each activity in the previous Community Work Program. At a minimum, local governments must indicate which activities that:
 - Are currently **Underway** (including projected completion date)
 - Have been **Completed**;
 - Have been **Postponed** (explaining why and when it will be resumed)
 - Have been **Canceled** and are no longer activities the local government intends to undertake (explaining why).

Any activities reported as “underway” or “postponed” must be reflected in the new Community Work Program or elsewhere in the comprehensive plan update, as appropriate.

OPTIONAL PLAN ELEMENTS

- Infrastructure and Community Facilities
- Natural Resources
- Community Sustainability
- Disaster Resilience
- Education
- Greenspace
- Historic and Cultural Resources
- Human Services
- Inter-governmental Coordination
- Population
- Public Safety
- Recreation
- Solid Waste Management

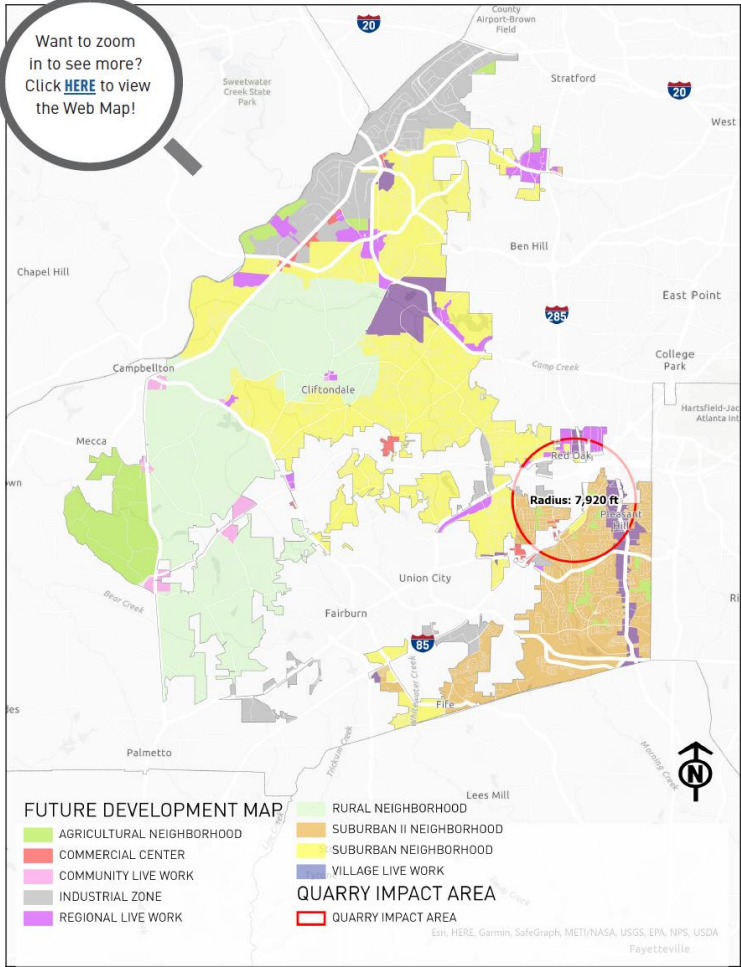

SCOPE OF WORK

- Task 1: Existing Conditions Assessment
- Task 2: Community Goals, Needs, and Opportunities
- Task 3: Community Work Program Update
- Task 4: Future Land Use
- Task 5: Capital Improvement Element
- Task 6: Integration of Other Recommended Plan Elements
- Task 7: Community Engagement
- Task 8: Prepare Final Deliverables
 - Report of Accomplishments
 - Community Work Program
 - Future Land Use Map

FUTURE LAND USE MAP

Future Development Map

- Suburban Neighborhood 38.0%
- Suburban II Neighborhood 34.5%
- Rural Neighborhood 20.3%
- Regional Live Work 2.7%
- Industrial Zone 2.5%
- Community Live Work 1.2%
- Agricultural Neighborhood 0.5%
- Business Park 0.2%
- Village Mixed Use 0.2%

FINAL DELIVERABLES

- Report of Accomplishments
- Future Land Use Map
- Community Work Program
 - Initial Action Prioritization
 - High-Level Costing
 - Identification of Potential Funding and Tools
 - Responsible Parties and Levels of Effort
- Implementation Matrix

Project	2022	2023	2024	2025	2026	Responsible Party	Estimated Cost
Develop a logo for CityStreet signs or sign toppers			X	X		Public Works	\$5,000 and Annual Maintenance Local Funds
Examine Zoning Code for new housing types and styles	X	X	X			CDRA	Staff Time
Host 2 - 3 business networking events each year with a least one focus under 35 workers		X	X	X		Economic Development	Staff Time
Develop a commercial property inventory			X			CDRA and Economic Development	Staff Time
Participate and complete the Georgia Main Street Start-Up Program	X	X	X			Economic Development	Staff Time
Partner with organizations to promote South Fulton	X	X	X	X		Economic Development	Staff Time
Develop an Impact Free Program	X	X				CDRA	\$100,000 Local Funds
Implement the model mile trail plan and identify trails opportunities in future development		X				Public Works and CDRA	\$5 million Local Funds TSPlast ARC-TAP
Develop training on planning issues for boards and committees	X	X				CDRA	Staff Time
Develop a marketing site to promote economic development sites		X				Economic Development	Staff Time
Create overlays for key areas within the city including major corridors	X	X	X	X	X	CDRA	\$100,000 Local Funds and ARC
Update zoning code to allow for conservation subdivisions		X				CDRA	Staff Time
Complete small area plans at activity nodes, including Fulton Industrial Area	X	X	X	X	X	CDRA	\$175,000 per area Local Funds and ARC

Note: This is a snapshot of the *Community Work Plan* from the current Comprehensive Development Plan

MARKET AREA TAPESTRY SEGMENTATION

- The Tapestry Segmentation is a tool developed by ESRI to put a “face on the numbers”.
- Households across US are categorized into 67 segments each with a unique demographic identity.
- The tool is used by developers and retailers to understand the character of a community and can be helpful information to understand how business and industry perceives the City of South Fulton as a market.
- The City of South Fulton is characterized by twenty tapestry segments, with the top five summarized below.

Up and Coming Families

39.7% of area households

- Primarily young, hard-working families living in newer subdivisions. They often have longer commute times.
- 67% have some college education or degree(s) and 71% participate in the labor force.
- Careful shoppers aware of prices and willing to shop around for the best deals.
- Seek the latest and best in technology.

Family Foundations

25% of area households

- Mix of married couples, single parents, grandparents, and children, young and adult.
- More than half have attended college or obtained a degree and 58% participate in the labor force as workers begin to retire.
- Many residents work in the health-care industry or public administration.
- Style is important to these consumers, who spend on clothing.

Workday Drive

6.6% of area households

- An affluent, family-oriented market.
- Residents prefer quiet, new housing away from the bustle of city but still near job centers.
- 40.5% are college graduates and 71% participate in the labor force.
- This group prefers time-saving devices, like banking online or housekeeping services, and family-oriented pursuits.

Urban Edge Families

6.1% of area households

- Residents are family-centric, with a majority of household including married couples with children and grandparents.
- 63% hold a high school diploma, and 66% participate in the labor force.
- This group tends to spend money carefully and focuses on the necessities.
- Entertainment includes multiple televisions, movie rentals, and video games at home or trips to theme parks and zoos.

Boomburbs

6% of area households

- Young professionals with families that have opted to trade up to new housing in the suburbs.
- This group is well educated, with a labor participating rate of 71%.
- Homeownership is 84% of primarily new, single-family homes.
- Financial planning is well underway for this group, and they are connected to the latest devices.

Economic Profile

EMPLOYMENT, TOP INDUSTRIES, COMMUTING

EMPLOYMENT SNAPSHOT

City of South Fulton
Comprehensive Plan Update

In 2022, the City of South Fulton had an estimated **44,488 full-time jobs**. The top industries in the City are:

- Transportation and Warehousing (22.4%)
- Wholesale Trade (17.2%)
- Manufacturing (16.5%)

Many of these jobs are located on Fulton Industrial Boulevard, making it a key area for employment and economic activity in the city.

Source: LEHD On The Map, 2022; Kimley-Horn

EMPLOYMENT SNAPSHOT

City of South Fulton Resident's Employment

In 2022, the City of South Fulton had an estimated **49,532** employed residents. The top industries that residents are employed within were:

- Transportation and Warehousing (14.3%)
- Healthcare and Social Assistance (12%)
- Administration & Support, Waste Management and Remediation (10.2%)

From 2017 to 2022, the Transportation and Warehousing sector saw the most significant growth among City of South Fulton residents, followed closely by the Professional, Scientific, and Technical Services sector and the Management of Companies and Enterprises sector.

- Transportation and Warehousing (+2,512 Residents employed in the sector)
- Professional, Scientific, and Technical Services (+1,299 Residents employed in the sector)
- Management of Companies and Enterprises (+770 Residents employed in the sector)

- Transportation and Warehousing
- Health Care and Social Assistance
- Administration & Support, Waste Management and Remediation
- Retail Trade
- Accommodation and Food Services
- Educational Services
- Professional, Scientific, and Technical Services
- Public Administration
- Other

EMPLOYMENT LOCATIONS

Most jobs in the City of South Fulton are concentrated in Fulton Industrial Boulevard.

Commercial nodes represent other job centers throughout the city, particularly in the southern portion of the City.

Top employers in the City of South Fulton, including the number of employees they employed in 2024, are summarized below.

1. United Parcel Service (UPS) – 795 employees
2. Georgia Aquarium* – 661 employees
3. United Natural Foods – 560 employees
4. Pepsi – 450 employees
5. Walmart Store #3741 – 336 employees
6. Walmart Store #3401 – 335 employees
7. Miller Zell Inc. – 293 employees
8. GF Piping System – 258 employees
9. Manheim Remarketing – 246 employees
10. Global Clothing Industries – 239 employees

Employment Locations, City of South Fulton

Source: LEHD On The Map, 2022; Kimley-Horn

COMMUTING TRENDS

In 2022, approximately 93.2% of all jobs in the City of South Fulton were held by those who commuted into the area.

- **35,649** people commute to South Fulton for work.
- **46,946** South Fulton residents commute outside of the city for work.
- **2,586** people live and work in the City of South Fulton.

Although many South Fulton residents commute elsewhere for work, the inflow of nearly 36,000 daily commuters bolsters the city's daytime population, significantly benefiting local businesses and retail by increasing demand and economic activity in the city.

Approximately 6.8% of jobs in the City of South Fulton are held by local residents, suggesting there is potential to help city residents secure nearby employment through workforce training and career development programs.

Source: LEHD On The Map, 2022; Kimley-Horn

Transportation Profile

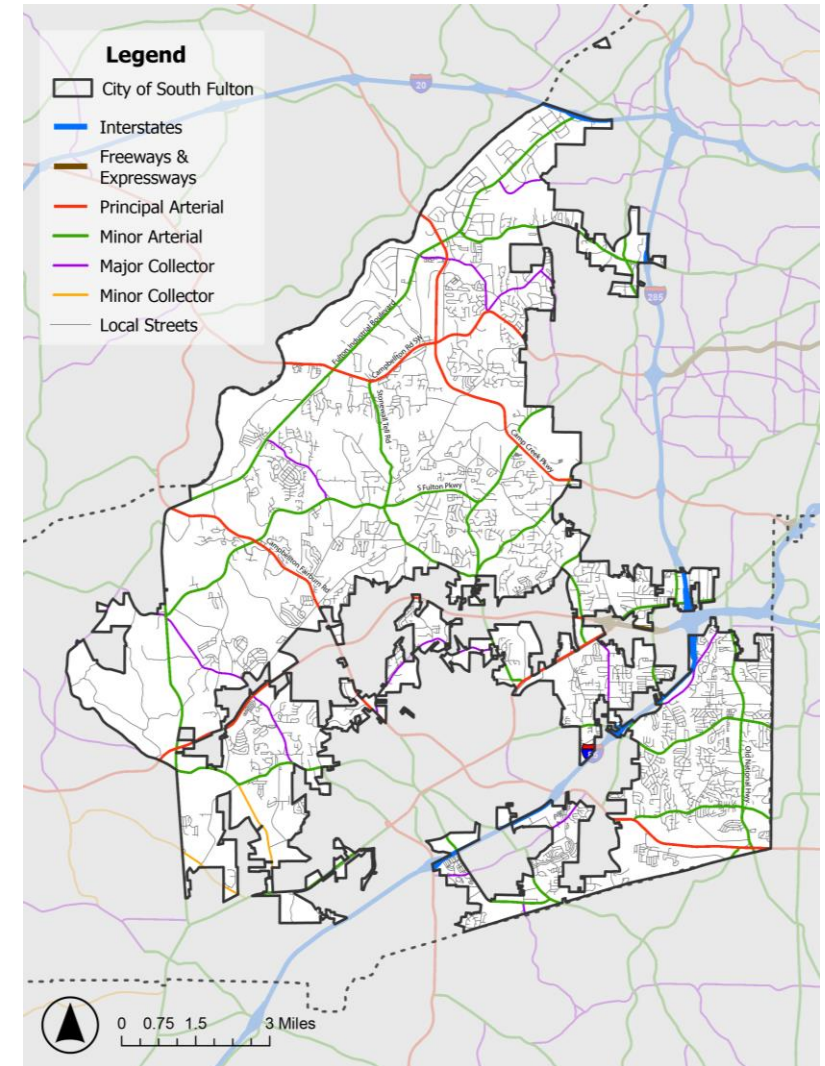

ROADWAY FUNCTIONAL CLASS

Roadway functional classification is a system used to categorize streets and highways based on their purpose, design, and role in the overall transportation network. Functional classification helps in planning, traffic management, and roadway design to ensure efficient and safe transportation systems.

The City of South Fulton has several major corridors, identified on the Roadway Function Class map of the City of South Fulton to the right. These corridors include:

- Campbellton Road SW
- Camp Creek Parkway
- Campbellton Fairburn Road
- Fulton Industrial Boulevard
- S Fulton Parkway
- Old National Highway
- Stonewall Tell Road
- Jonesboro Road

Roadway Function Class

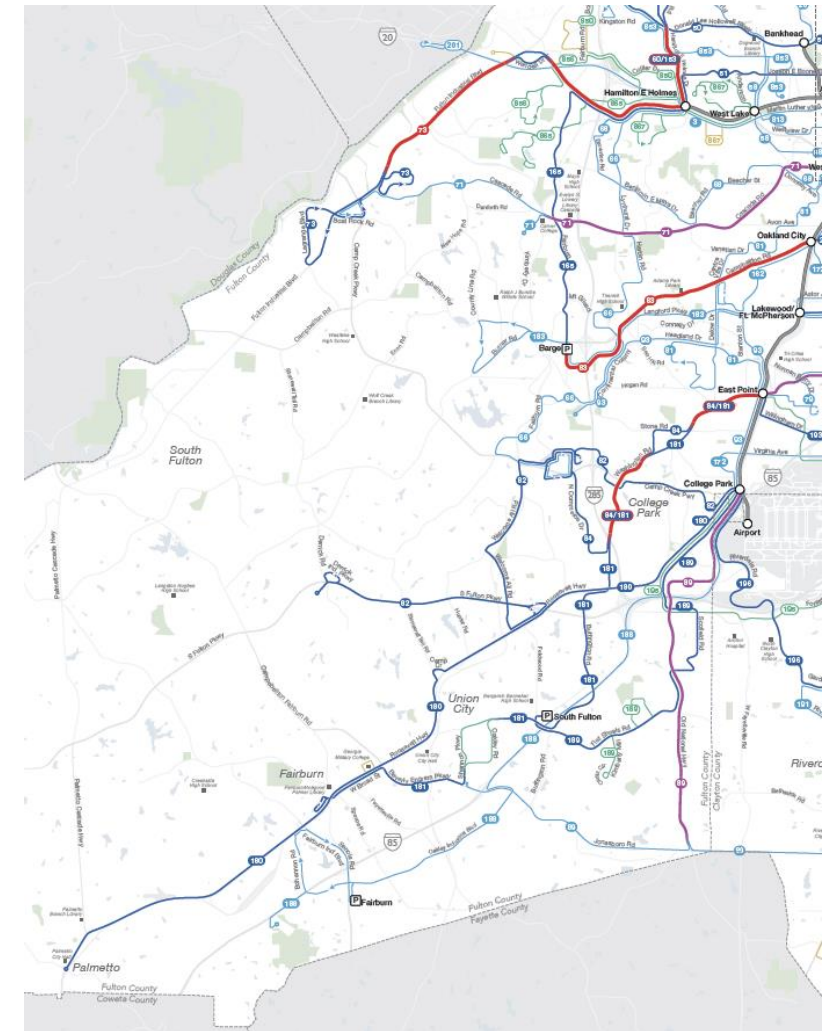

Source: GDOT; Kimley-Horn

EXISTING MARTA BUS NETWORK

The existing MARTA network is visualized to the right. The current network services the City of South Fulton through the following bus routes:

- Route 73
- Route 80
- Route 82
- Route 89
- Route 180
- Route 181
- Route 188
- Route 189

A majority of the routes servicing the city operate on a weekday midday frequency of 30 to 45 minutes. Route 89 on Old National Highway is currently the only route in the city to operate on at a 20-minute frequency.

2023 Existing MARTA Network

Source: MARTA

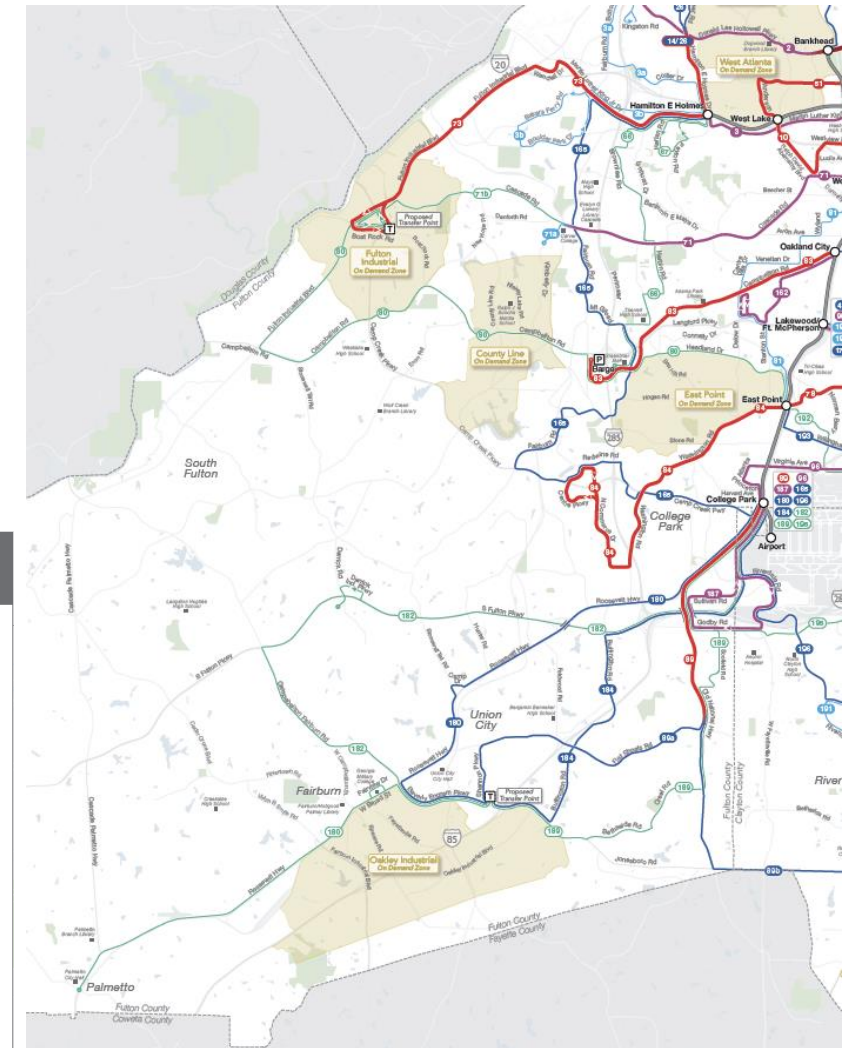

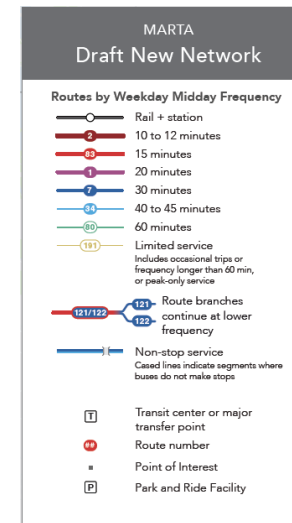

DRAFT MARTA BUS NETWORK

MARTA is currently redesigning their network service. The draft new network is visualized to the right. The draft network services the City of South Fulton through the following bus routes:

- Route 80
- Route 82
- Route 89
- Route 180
- Route 182
- Route 184
- Route 189

Network frequencies remain relatively unchanged, with increased service on Fulton Industrial Boulevard, South Fulton Parkway, and Campbellton Fairburn Road. Fulton Industrial Boulevard and Old National Highway have an increased service frequency of 15 minutes. On-Demand Transit Zones, visualized in tan on the map, offer a flexible alternative to a fixed route.

The Draft Network was presented to the public in December 2024 and is available for comment through February 2025.

OUR VISION FOR CITY OF SOUTH FULTON IS...

CITY OF SOUTH FULTON COMP PLAN

City of South Fulton
Comprehensive Plan Update

COMPREHENSIVE PLAN 5-YEAR UPDATE 2025 CITY OF SOUTH FULTON

THE VISION

What is your vision for the city of City of South Fulton? What is not captured by the previous vision statement (below)? Please provide your thoughts on a sticky note and place below.

The 2021 Comprehensive Plan Vision:

City of South Fulton will be an innovative, diverse community that is safe, environmentally conscious, healthy, transparent and financially sustainable for all of its citizens and visitors.

The 2021 Comprehensive Plan Goals

#1 – Ensure Stable Housing for All

- 1A: Create pathways to homeownership for residents to encourage generational wealth.
- 1B: Create opportunities to become a Lifelong Community for all South Fulton Residents.
- 1C: In appropriate areas, encourage and allow a broad range of housing typologies for all residents.
- 1D: Encourage and support high standard of property maintenance.

#2 – Building Trust within the Community

- 2A: Provide training and leadership opportunities for neighborhood leaders.
- 2B: Ensure that residents and small/local developers have easy access to information about development proposals, plans, processes, project statuses.
- 2C: Build capacity about planning and development issues facing Southern Fulton county on the Planning Commission and other local boards.

#3 – Creating an Economic Engine for the South Side

- 3A: Retain and support long-standing and emerging small businesses within the City of Sout Fulton.
- 3B: Create training and education opportunities for entrepreneurs.
- 3C: Leverage low-cost commercial space to support startups and the arts community.
- 3D: Market opportunities for investment in South Fulton.
- 3E: Create a targeted campaign for younger workers and employers to attract them to the City of South Fulton.

#4 – Develop a Unique South Fulton

- 4A: Identify and target local serving retail, including grocery stores to develop in walkable nodes within the City of South Fulton.
- 4B: Ensure that the City of South Fulton's development codes focuses on the creation of quality corridors throughout the city that reflects the planned character of the area.
- 4C: Ensure that development protects the existing tree canopy.
- 4D: Promote and incentivize potential redevelopment sites within the City of South Fulton to become mixed-use walkable developments.
- 4E: Promote a mix of institutional, entertainment, residential, and retail along the Old National Corridor.

#5 – Develop a Strong Community for South Fulton

- 5A: Protect existing undeveloped land by limiting development in undeveloped areas and encouraging redevelopment in built-up areas.
- 5B: Identify and expand park space within the City of South Fulton to ensure that all residents are within 10 minutes of a park.
- 5C: Celebrate and strengthen the City of South Fulton's vibrant artist community.
- 5D: Identify and celebrate the neighborhoods of the City of South Fulton
- Develop Old National Corridor into a unique place in the region to draw both residents and visitors with investments in the public space, and marketing strategies.

#6 – Improve Access to Transportation and Broadband

- 6A: Partner with MARTA to improve connections to the regional transit network.
- 6B: Continue to build out trails and partner with neighboring local governments to develop a trail network within Southern Fulton County.
- 6C: Work to create a Capital Improvement Plan and dedicated funding sources.
